- Airways management
- Respiratory failure: invasive and non-invasive mechanical ventilation
- Circulatory failure: monitoring and management (vasopressors)
- Damage control resuscitation
- Hemostatic resuscitation
- Brain and spinal cord trauma
- Discussion

13.00-14.00 Lunch session

14.00-16.00

FIAT Course: ICE course Intensive Care for Emergency Surgeons (part 2)

- Kidney failure: overview and focus on rhabdomyolysis
- Fluid therapy in adults
- Management of bombing injuries
- Infections in ICU
- How to set a ventilator
- ICU: acute care surgeon - anesthesiologist relationship
- Discussion

16.00-19.00

REBOA Course

- Physiopathology
- Indications
- Techniques
- Criticalities
- Future applications
- Discussion
- Hands on

14.00-19.00

ESN Emergency Surgery Nurses Course (Italian Language)

- Resuscitation
- REBOA
- Resuscitative thoracotomy
- Antibiotic therapy
- Risk Management in OR
- High Dependency management
- DVT prevention
- Emergency laparoscopy
- Open abdomen
- Discussion

November 17, 2020

Congress Plenary Sessions

MORNING

8.00-9.00

Vascular Trauma Consensus

9.00-10.00

Mass civilian casualties emergencies

- Preparedness to MCI
- Athens course

10.00-11.00

Fluid therapy in critical patients

- Pathophysiology of fluids in trauma patient. Just a matter of loss?
- Pathophysiology of fluids in septic patient
- Thanks God, I've an A-line in... Something else?
- The brain and the bucket

11.00-12.00

Thoracic trauma consensus

12.00-13.00

Emergency medicine and emergency surgery

- Which patients for emergency surgery ward?
- Pregnancy traps
- Point of care ultrasound

13.00-14.00 Lunch session

AFTERNOON

14.00-15.00

Brain and spinal cord trauma

- ASAP Survey
- Solid organ injury and TBI, just a matter of blood pressure?
- REBOA and brain trauma

15.00-16.00

Quality indicators in emergency general surgery and trauma

- WSES international consensus conference
- Key performance indicators
- Patient safety indicators

16.00-17.00

Black Box and Achilles Heel Prize: big errors collection

17.00-18.00

Web and robotic applications in acute care surgery

- WIRES-T
- Robotic and remote
- WSES app
- WSES you tube channel

18.00-19.00

Use of fluorescence in emergency surgery (WJES position paper)

- Which use is in emergency surgery?
- Laparoscopy and fluorescence in emergency colonic resection: possibility or necessity?

November 18, 2020

Congress Plenary Sessions

MORNING

8.00-9.00

Severe intrabdominal infections

- Classification
- Biomarkers' role
- Antibiotic: when and how
- Source control

9.00-10.00

Consensus on iatrogenic biliary duct injury

10.00-11.00

Coagulation and thrombosis in Trauma and Emergency Surgery

- Coagulation disorders in trauma
- Evidence based use of topic haemostatics
- Coagulation disorders in emergency general surgery
- DVT prevention in acute care surgery

11.00-12.00

Open abdomen

- IROA registry
- COOL Trial
- A new device for primary closure

12.00-13.00

New technologies

- Use of radiofrequency and ultrasonic devices in emergency surgery
- REBOA miracles and failures

13.00-14.00 Lunch session

AFTERNOON

14.00-15.00

Emergency surgery for bariatric patients consensus

15.00-16.00

New Guidelines

- Anorectal emergencies
- Appendicitis and cholecystitis in elderly
- Acute abdomen in Immunocompromised patients WSES position paper

16.00-17.00

Organizational models in emergency surgery (in collaboration with ESTES and SICUT)

Topics to be discussed with the scientific societies

18.00-19.00

Final Session: New materials for abdominal wall reconstruction in emergency surgery

- Biological materials
- Biosynthetic materials

November 19, 2020

Post-Congress Sessions

8.00-09.00

WSES General Assembly

9.00-17.00

EASC Course

9.00-12.00

NURSE ROLE Session (English language)

- Robotic technologies
- Mass Casualties
- Triage
- Limited resources setting
- Research
- Operating table
- Endoscopy
- US Autonomous role
- Australian CME

VENUE

Novotel Milano Nord Ca' Granda
Viale G. Suzzani, 13
Milan (Italy)

ASST Grande Ospedale
Metropolitano Niguarda
Piazza Ospedale Maggiore, 3
Milan (Italy)
